

DESCRIPTION

PRODUCT NAME:	BACKPACK MISTER 3W-650
PART NUMBER:	NBB-3W650
BARCODE:	9337027029297
CATEGORY:	A

PRODUCT FEATURES

FAN FORCED ATOMISED MIST SPRAYER
14L CHEMICAL TANK WITH ANTI-SPILL LID
10KG (WHEN EMPTY) KNAPSACK WITH THICK SHOULDER PADDING

BENEFITS

Excellent coverage and spray penetration into foliage
Suitable for greenhouse, nursery, small orchards, parks & gardens
Thick padding for user comfort

SPECIFICATIONS

This 2 Stroke powered liquid-only backpack sprayer delivers a large spraying range, reducing the time it takes you to treat large areas. The Backpack mister is ideal for applications in greenhouses, nurseries, small orchards, parks & gardens, and pest controllers.

TANK

- 14L Translucent, UV stabilised poly tank
- Large capacity chemical tank for easy filling
- Anti-vibration system, reduce operator fatigue and provides a more working experience.
- Comfortable back

ENGINE

- 2 stroke engine, 33.5 cc, that is low noise & lower emission
- Powerful and fuel-efficient
- Recoil starter & non-contact ignition

FAN

- Highly efficient fan, large air volume, higher speed, thus longer spray range

CONTROL

- Joystick type controller that offers on/off switch & adjustment fan speed

PERFORMANCE

- 12m horizontal/Vertical spray mist
- 3 nozzle choices, can achieve different spray effects

COMFORT

- The sprayer is also comfortable to wear, featuring an anti-vibration system, soft rubber grips and optional chest and hip belt accessory to evenly distribute weight.

WARRANTY

- 12 Months

**DIMENSIONS**

- Length 510mm x Width 380mm x 640mm
- Weight 11kg
